

## NEW CONGREGATIONS

---

### **Southeast District New Congregation Priority**

The Southeast District is committed to the conference priority of founding new congregations. We do not have a new congregation in the district but are exploring possibilities of starting Spanish speaking congregations.

Churches are invited to sponsor or serve as mother congregations for our upcoming congregation. Contact the district office [debby@southeastdistrictumc.org](mailto:debby@southeastdistrictumc.org) for information on how to help.

### **Is God calling you to plant a new church?**

[Click here and use the online resources](#) provided by the General Board of Discipleship to learn if have characteristics in common with successful new church missionaries and how your spiritual gifts might be used in a new church start.

[Click here and fill out the online form](#) to let the North Alabama Conference Center for Congregational Development know you think God is calling you to start a new community of faith within the North Alabama Conference.

### **Conference celebrates generous support for its priority of establishing new communities of faith**

One of the North Alabama Conference four ministry priorities is to establish new communities of faith. Through the leadership of Bishop Willimon, the Cabinet and the Center for Congregational Development the North Alabama Conference now leads all other United Methodist Annual Conferences in new church starts.
