

EMPOWERING A NEW GENERATION

Empowering a New Generation through Conference Resources

*Empower - to give authority or power
to do something ...*

The North Alabama Conference strives to
Empower a New Generation by

providing excellent tools

for our young people and our children and youth
workers in order for the next generations to continue
to build and grow those things our elders have put
in place through our Lord and Savior Jesus Christ.

Nacole Hillman

The Connectional Ministry office of the North Alabama Conference provides many resources for churches to fulfill the ministry of reaching a new generation of Christians.

You can find more information at [NAC website](#).

In addition to discipling a new generation from North Alabama, we are also in search of young persons called to the ministry and interested in serving a church in North Alabama Conference.

Are you a highly effective certified candidate for ministry or a commissioned deacon/elder called to North Alabama? Click [Called to North Alabama](#) for more information.

New Generation through IGNITING MINISTRY

The Southeast District has found Igniting Ministry to be an essential evangelism tool for reaching a new generation of Christians. We host workshops on *Inviting, Welcoming and Embracing* new people to the local church.

The Northern Cluster held one such workshop on March 15th at Wedowee First UMC. Presenters were Superintendent Richard Stryker- *Inviting*; Reverend Steve Baccus – *Welcoming*; Reverend Mike Densmore – *Embracing*.

Rev. Steve Baccus leading session on Welcoming in the Local Church

Northern Cluster Igniting Ministry Workshop

Please see [10 Welcoming Ideas for any church.](#)

You can find exciting resources at the [Media Warehouse.](#)

[Rethink Church](#) is the new approach to Igniting Ministry. Check it out.

The [Welcoming and Media Planner](#) is free and downloadable.

Let's use *Igniting Ministry*, *Rethink Church* and other resources to reach a new generation of Christians.
